BID BUZZ

A quarterly newsletter for BID members

Published by the Gloversville BID Board of Directors

President's Letter

Welcome to the summer issue of BID Buzz, a quarterly newsletter for business and building owners in our BID District. Since our last issue, the Southern Adirondack Wine & Food Festival was held on North Main Street. This yearly event acts as a major fundraiser for BID and allows us to continue programming throughout the year. We would like to thank everyone who helped make this year's event the great success it was. Great things happen when our community comes together and the SAWFF is an amazing example of how downtown events can highlight our business district to visitors to downtown Gloversville.

This year, the BID board of directors has recommitted to being a conduit of information, concerns and questions. We are dedicated to making downtown Gloversville a destination for shoppers, visitors and new businesses. We are open to listening to your points of view and creating action steps that will help us all reach our goals for downtown.

Our meetings are held the second Tuesday of the month and all are welcome to attend. In the meantime, feel free to reach out to us at gloversvilleny.bid@gmail.com at any time or stop by my offices in the Argersinger Building Suite 105.

All the best,
Jim Schlesier, President
Gloversville Business Improvement District

Local Highlights

Twilight Markets (August 10, September 14)

July 13th saw the launch of this summer's Twilight Market season. This year, we have welcomed new vendors and community groups, growing the total stalls to 18! The market footprint has been brought up to North Main Street between Church and Fremont Streets to highlight more of our businesses downtown. August's Twilight Market will also coincide with BID's Kid's Chalk Art on Main. Held the second Friday of every month from 5 to 8 p.m., the event is a great way to catch up with neighbors and enjoy the community in a unique way. More details are available at www.downtowngloversville.org.

Micropolis turns seven!

Seven years ago in March, a group of citizens held a meeting to discuss the feasibility of forming a cooperative for area artists. They met inside the soon-to-be new location of Mohawk Harvest while floors were still being sanded and heat was not yet fully functioning. Twenty individuals with questions and ideas arrived carrying their own chairs.

Four months later, on July 27, 2011 the newly formed Micropolis Cooperative, Inc. partnered with the Sacandaga Valley Arts Network (SVAN) to present the first "Art on Main" in downtown Gloversville. It was a celebration of artwork by regional artists held in two locations simultaneously— at the Fulton County Chamber Rotunda Gallery and at Micropolis. Since that first event, the art co-op has held a "Meet the Artists" reception every two months, unveiling a new show and introducing a featured artist.

Because of its location inside Mohawk Harvest, the gallery is fortunate to be open seven days a week enabling Micropolis to carry out its mission to:

- provide artists with an opportunity to exhibit and sell their artwork
- build awareness of and support for the regional art community
- be a part of the revitalization of downtown

Come celebrate our community of artists!

Mohawk Harvest celebrates nine years!

Mohawk Harvest Cooperative Market will celebrate its 9th birthday on Saturday, July 21 and Sunday July 22 with celebratory specials and events in the store. On Saturday, July 21st at 11 a.m. there will be birthday treats for anyone in attendance, followed at 11:30 a.m. by a concert of quartet favorites with musicians from the Caroga Lake Music Festival. There is no admission fee for the concert but donations for the musicians are appreciated.

Specials throughout the weekend include 9% off of all purchases (excluding sale and wholesale items). There is free coffee for anyone who purchases brunch on either day. On Sunday, July 23 from 11 a.m. to 2 p.m., Kevin Chamberlain will be roasting coffee and having coffee tastings in the store's café. More information can be found at www.mohawkharvest.org.
