Patronage Opportunities

Chamber Music at the Chamber is a professional concert series located in the heart of downtown Gloversville. The series has been grant funded by a community arts grant from Saratoga Arts two years in a row and heavily supported by local patrons, businesses and ticket sales.

We hope to repeat our successful levels of community support as we start planning our third season. The season will be an exciting one including performances by gypsy swing quintet Hot Club of Saratoga, soprano Tess McCarthy, an afternoon of obscure and rarely heard classical gems and other great performances. We pride ourselves on our wide variety of performances from year to year.

This year we are offering three levels of patronage to help support our season. Grants and donations from our community not only help bring these incredible musicians to downtown Gloversville, but offer free master classes for area students and help with receptions and promotion.

If you would like to participate, please indicate which level of patron you would like to be. Your name will be listed in our program (or anonymously if desired) and you will be invited to our annual patron soiree (date to be determined). (Ads & Sponsorships are on a separate application)

Please make checks out to : **Gloversville BID** and mail to:
